

ELECTRICAL SAFETY RECALL

MORT BAY 4-Way and 6-Way Switched Power Board

Product Type	Model No.	Bunnings Item No.
4-Way Outlet with 3m cord	14038	4331026
6-Way Outlet with 5m cord	14021	4331025

Sold at Bunnings Store between Oct 2020 and May 2021

IDENTIFICATION:

The products being recalled have a **Batch No.** on the back of the unit. See illustration above. The affected batch numbers are as follows:

13119301120

13095301020

13046300820

If your power board does not have one of the above batch numbers, no further action is required, and you can continue using your power board as normal.

These products were ONLY available for sale in Bunnings Store throughout Australia.

DEFECT:

The black on/off switch cover may break and separate from the product.

HAZARD:

This may result in live parts being exposed and the risk of electrical shock.

WHAT TO DO:

Consumers must immediately stop using the product and return to Bunnings Store for a full refund.

CONTACT DETAILS:

You can contact your nearest Bunnings Store or email recalls@bwes.com.au

See www.productsafety.gov.au for Australian product recall information.
